Course Sections that meet the following conditions are not included: Undergraduate classes with less than 10 students or Graduate classes with less than 5 students. In addition, if a section has all but 1 student making a common grade (example: All but one student makes a "B" in a class), the section is excluded.

Course Sections that meet the following conditions are not included: Undergraduate classes with less than 10 students or Graduate classes with less than 5 students. In addition, if a section has all but 1 student making a common grade (example: All but one student makes a "B" in a class), the section is excluded.

Course Sections that meet the following conditions are not included: Undergraduate classes with less than 10 students or Graduate classes with less than 5 students. In addition, if a section has all but 1 student making a common grade (example: All but one student makes a "B" in a class), the section is excluded.

Course Sections that meet the following conditions are not included: Undergraduate classes with less than 10 students or Graduate classes with less than 5 students. In addition, if a section has all but 1 student making a common grade (example: All but one student makes a "B" in a class), the section is excluded.

Course Sections that meet the following conditions are not included: Undergraduate classes with less than 10 students or Graduate classes with less than 5 students. In addition, if a section has all but 1 student making a common grade (example: All but one student makes a "B" in a class), the section is excluded.
